

6/19/07 BdMtg Item 8
Quail Valley
Deadline: 6/6/07 Noon

Song Her
Clerk to the Board

The residents of Quail Valley are in desperate need of a sewer. This area will never realize it's full potential without this type of improvement. Realizing that this is a complicated and time consuming endeavor, we completely support this proposal. The sooner sewer goes in, the better off this community will be.
